Product Specification Sheet

Targus Zip-Thru™ 17” Air Traveler Laptop Case

Part #: TBT046US

Product Description:

The Targus Zip-Thru™ Air Traveler case is designed to help you clear airport security without removing your laptop from your case. The results are:

- Quicker airport processing
- Reduced risk of laptop loss, theft, or damage
- Greater privacy and security

This 17” case splits down the middle, isolating the laptop on one side to allow for clear x-ray scanning. The Zip-Thru™ Air Traveler is lightweight, offers leather-wrapped handles, and includes an ergonomic, non-slip shoulder strap and trolley strap for attachment to rolling luggage.

In addition, the case includes all of the best features of Targus business cases: a dedicated file section, zip-down workstation with business card holder, pen loops, key clip and multiple accessory compartments to keep items organized.

Product Features and Specifications:

- **Checkpoint-Friendly** – Split design separates laptop from accessories, to allow clear x-ray scanning
- **Screen Size** – Designed to fit 17” widescreen laptops
- **Protection** – Padded laptop section
- **Organization** – Spacious exterior file pocket with phone sleeve, pen loops and key clip, and interior pockets with room for files, mobile accessories, business cards and more
- **Ergonomics** – Includes a removable, adjustable padded shoulder strap, a carry handle, and a trolley strap for attachment to rolling luggage
- **Material** – Constructed of durable nylon
